Community Day @ Tung Wah Village

東華三院150周年 TWGHs 150th Anniversary

Dear Friends,

Billion Charity Fund proudly sponsors: TWGHs 150th Anniversary Community Day @ Tung Wah Village, aligning with the COVID-19 prevention measures, is now rescheduled to Saturday, 27 March 2021, at Tai Kwun, Central, to raise funds for the TWGHs Development Funds for Kwong Wah Hospital Redevelopment Project.

It is one of the signature events for the 150th Anniversary of TWGHs. Our medical and health, education, social and traditional services units will share our anniversary vibes on the day through an array of attractions at the “Tung Wah Village”, including booth games, historical and cultural activities, and entertainment. We will practise preventive measures on the spot to ensure everyone can enjoy the weekend under a safe environment. Apart from the physical booths and cultural activities at Tai Kwun, various activities will go online for ease of participation, including the highlighted Online Concert, to further spread happiness to every corner of our society.

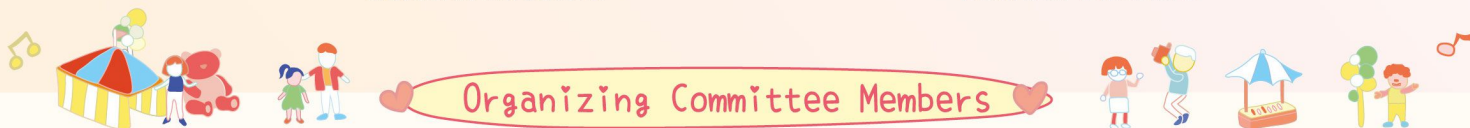

We sincerely appeal for your benevolent support, and look forward to greeting you at the Event!
