TWGHs Free Medical Services Donation Scheme

Dear Friends,

## Shun Shin Chee Kit Yin Koon proudly sponsors: Free Medical Services Donation Scheme

Since the establishment of its first hospital, Tung Wah Hospital, in 1870, the Tung Wah Group of Hospitals ("TWGHs") has been upholding the tradition of provision of free medical services for the patients in need over one and a half centuries.

The soaring medical cost as well as the fluctuating epidemic situation over the past years have created a heavy burden to our medical health system. Despite the constraints in resources, TWGHs actively engaged in fighting against the epidemic, and strived to maintain professional and high quality medical services to the public in our 5 hospitals and 41 Chinese & Western medical & health units. The annual expenditure of free medical services is about 70 million, serving approximately 900,000 visits each year.

In order to allow TWGHs to provide holistic free medical services and seamless care to the community, your donation is indispensable. We sincerely invite you to support our annual signature programme "Free Medical Services Donation Scheme" so that more patients in need will be benefited.

All direct expenses of the fund-raising event have been sponsored by TWGHs Board of Directors and no administrative costs will be deducted from the donations of the general public to ensure all public donations will go directly to our services.
