

Medical Equipment Donation Scheme 2022-2023

Tung Wah Group of Hospitals (TWGHs) has been serving Hong Kong people since 1870. With the mission of “To heal the sick and to relieve the distressed”, TWGHs strives to provide all-rounded medical and social services to the local community.

In order to meet the needs and demand of the society, TWGHs from time to time reviews the quality of its medical services, and acquires up-to-date facilities and equipment. Owing to the donors’ generous support towards TWGHs “Medical Equipment Donation Scheme” launched in 1990, TWGHs is able to procure the latest medical equipment and replace the worn-out equipment of its 5 hospitals (Tung Wah Hospital, Kwong Wah Hospital, Tung Wah Eastern Hospital, TWGHs Wong Tai Sin Hospital and TWGHs Fung Yiu King Hospital), as well as around 230 community service centres. With the donation support from the well-wishers, more than 230 pieces of equipment were sponsored for our hospitals and community service centres last year.

All direct expenses of fund-raising events have been sponsored by TWGHs Board of Directors and Title Sponsors of the events and no administrative costs will be deducted from the donations of the general public to ensure all public donations will go directly to our services.

We cordially invite your generous support for the people in need!
