

## Medical Equipment Donation Scheme 2023-2024

Tung Wah Group of Hospitals (TWGHs) has been serving Hong Kong people since its inception in 1870. With the mission of “To heal the sick and to relieve the distressed”, TWGHs strives to provide all-rounded medical and social services to the local community.

To meet the needs and demand of society, TWGHs improves the quality of medical services and acquires the advanced medical equipment from time to time for the benefit of patients in need. Owing to the generous support from the public towards TWGHs “Medical Equipment Donation Scheme” launched in 1990, TWGHs can procure the latest medical equipment and replace the worn-out equipment of its 5 hospitals (Tung Wah Hospital, Kwong Wah Hospital, Tung Wah Eastern Hospital, TWGHs Wong Tai Sin Hospital and TWGHs Fung Yiu King Hospital), as well as 232 community service centres. With the donation support from the well-wishers, more than 230 pieces of equipment were sponsored for our hospitals and community service centres last year to enable units to purchase and replace the medical equipment.

All direct expenses of fund-raising events have been sponsored by TWGHs Board of Directors and Title Sponsors of the events and no administrative costs will be deducted from the donations of the general public to ensure all public donations will go directly to our services.

We cordially invite your generous support for the people in need!

(WAI Ho Man, Herman)  
Chairman  
Board of Directors
