## TWGHs Sincere Gratitude to Supporting Organisations for Generous Donation of Anti-epidemic Supplies

A Recognition Ceremony of Corporate Donation was held to express our gratitude towards the Chinese Gold & Silver Exchange Society (CGSE) Charity Fund and CGSE Sport and Recreation Division Union Li Chun Association for their donations of 100 foldable desks and 100 anti-pandemic gift bags to students from low-income families supported by TWGHs community service units. For many of these students, their living space is so limited that they do not have a proper writing desk. A foldable desk would be fit for their study at home during the pandemic.

因應疫情發展，畢業典禮改以線上線下並行模式舉行。在2019/2020學年，本院屬校18間中學共有1,759名中六畢業生。受2019冠狀病毒病疫情影響，學生的學習進度難免有所阻延，應屆文憑試考生更要承受不少壓力和挑戰。慶幸各校上下一心，並得到本院董事局適時提供防疫物資及其他支援，使學校能在確保安全下維持運作，協助學生專注學習。

## TWGHs Joint Secondary Schools Speech Day

Given the latest development of the pandemic, the Speech Day was conducted both online and offline simultaneously. In the academic year 2019/2020, a total of 1,759 Form 6 students graduated from 18 TWGHs secondary schools. Admittedly, COVID-19 has somewhat hampered the learning progress of students, especially that of HKDSE candidates who could not but cope with mounting pressure and challenges. Fortunately, thanks to the high team spirit on campuses, and the timely anti-pandemic supplies and other forms of support rendered by the Board of Directors, all the schools were able to keep their safe and smooth operation, and help students to stay focused on their studies.
