

Please support Patrons of Tung Wah Services Donation Scheme

Dear well-wishers,

Tung Wah has been faithfully serving the people of Hong Kong for 139 years and striving to provide various services for the public. Under the influence of economic hardship and salary cut, the demand for various services from the general public becomes more imminent. Your generous donation is indispensable for us to maintain and develop our much-needed services for the needy. Therefore, we sincerely hope that you can support our "Patrons of Tung Wah Services Donation Scheme". You may consider contributing your donation in any amount to one or more specific scopes of our services for augmenting the service coverage to help more people in need. Acknowledgement to the donors will be offered in appreciation of your generous donation. Please refer to the details shown in the leaflet.

We would like to urge you to join as the **"Friends of Tung Wah"**. Your regular monthly donation will help provide a stable source of income for us to support long-term development and enhancement work. Your support definitely helps the underprivileged, low income families and the needy to have a better future.

Please take action and support "Patrons of Tung Wah Services Donation Scheme" now.

John S.Y. Lee
Chairman
(Board of Directors)
