前言 Foreword

2025年，東華三院迎來創院155周年的重要里程碑。一個半世紀以來，本院始終恪守「救病拯危、安老復康、興學育才、扶幼導青」的使命，承傳創院先賢的行善初心，弘揚歷代前輩的慈善偉業，繼往開來，善業不輟，惠澤香江。誠如《莊子·大宗師》所言：「施恩無倦，澤及萬世」，東華三院的慈善事業跨越世代，行善之心無遠弗屆，恩澤廣布，善行不止。

在東華三院的歷史長河中，我亦肩負承前啟後的責任。本人家族與東華淵源深厚，多名家族成員先後參加董事局，其中，祖父何世光(1919/1920)、母親陳婉珍(2013/2014)及姐姐何超蓮(2015/2016)更曾出任主席。2025年，我接任主席，深感任重道遠。本年度，我們以「啟迪大猷，善行萬里」為管治理念，寓意開拓宏圖，將善行推展至四方。東華三院不僅是香港規模最大、歷史最悠久的華人慈善機構，更是社會穩定與民生福祉的重要支柱。我們深知責任重大，必須匯聚力量，發揮所長，把握國家發展機遇，善用粵港澳大灣區資源，全力推動醫療衛生、教育、社會服務、歷史文化保育及公共服務等範疇的可持續發展，為市民提供更優質、更適切的服務。

回顧過去一年，本院承蒙中央政府各部委、香港特區政府、顧問局、歷屆董事局前輩、善長及企業的鼎力支持與指導，並有賴乙巳年董事局同仁及全院上下齊心協力，令各項服務日臻完善。這份支持與信任，是推動東華善業持續向前的不竭動力。展望未來，我們將以155周年誌慶口號「行善無界限」為指引，持續創新，讓東華三院的慈善精神跨越地域與世代，聯通大灣區，拓展未來。

2025年11月大埔宏福苑發生不幸事故，本院迅速啟動全面緊急支援方案，包括為受影響人士提供援助金及應急錢、免費臨時住宿、免費殯儀服務及喪親者支援、免費中醫內科及針灸服務、免費幼兒暫託服務、情緒支援服務等，並設立「大埔宏福苑事故愛心捐款」專頁，匯聚社會善心。承蒙各界善長慷慨捐助，本院迄今已籌得超過港幣3.7億元善款，並全數用於支援大埔居民。截至2025年12月，本院已從捐款中撥出港幣逾1.1億元作新增援助金，並將持續籌款，用於支援居民長遠生活重建、家園修復、傷者康復及罹難者後事安排等。謹此再次衷心祝願所有受影響人士早日走出陰霾，重拾安定生活。

The year 2025 commemorates a remarkable milestone of TWGHs' 155th Anniversary. For over a century and a half, TWGHs has been holding fast to its mission of "To heal the sick and to relieve the distressed, to care for the elderly and to rehabilitate the disabled, to promote education and to nurture the youngsters, and to raise the infant and to guide the youth". We have inherited the founders' original aspiration of performing good deeds, and carried forward the legacy of charitable work left by generations of predecessors, continuing to advance this noble cause for the benefit of Hong Kong. As stated in *Zhuangzi - The Great and Most Honoured Master*: "To bestow kindness without weariness benefits all generations", the charitable endeavours of TWGHs transcend generations, with the heart for doing good causes far and wide, spreading blessings and never ceasing in its virtuous actions.

In the long history of TWGHs, I too bear the responsibility of connecting the past with the future. My family has deep-rooted ties with TWGHs, with multiple family members having served on the Board of Directors. Among them, my grandfather HO Sai Kwong (1919/1920), my mother CHAN Un Chan, Ina (2013/2014), and my sister Maisy HO (2015/2016) even served as Chairmen. In 2025, as I assumed the role of Chairman, I was deeply aware of the weight of this responsibility. Within the year, our governance motto is "Spreading Kindness and Charity Beyond Miles", symbolising our commitment to pioneering grand visions and extending acts of kindness in all directions. TWGHs is not only the largest and oldest Chinese charitable organisation in Hong Kong, but also a crucial pillar of social stability and public welfare. We firmly believe that it is our responsibility to unite existing efforts and utilise our strengths. By seizing the opportunities presented by China's development and making the best use of resources within the Greater Bay Area, we will fully advance the development of healthcare, education, social services, historical and cultural preservation, and traditional services. Our goal is to provide higher-quality and more tailored services for the public.

Over the past year, we were blessed to have received unwavering support and guidance from various ministries and commissions of the Central Government, the HKSAR Government, the Advisory Board, our predecessors, benefactors and enterprises. We were also indebted to the TWGHs Board of Directors 2025/2026, and the entire TWGHs team for their concerted efforts in further improving each of our services. This support and trust serve as an enduring driving force behind TWGHs' ongoing charitable endeavours. Looking ahead, guided by the 155th Anniversary slogan "Kindness makes a difference", we will continue to innovate, ensuring that the charitable spirit of TWGHs transcends geographical and generational boundaries, connects with the Greater Bay Area, and expands into the future.

In November 2025, an unfortunate incident occurred at Wang Fuk Court in Tai Po. TWGHs promptly launched a comprehensive emergency support plan, which included offering financial assistance and emergency funds to those affected, providing free temporary accommodation, complimentary funeral services and bereavement support, free traditional Chinese medicine and acupuncture treatment, free temporary childcare services, and emotional support. In addition, we established the "Charitable Giving towards the Incident of Wang Fuk Court, Tai Po" webpage to gather charitable contributions from the community. Thanks to the generous donations from benefactors across all sectors, TWGHs has raised over HK\$370 million in donations to date, all of which has been fully allocated to support the residents of Tai Po. As of December 2025, TWGHs has disbursed more than HK\$110 million from the donations as additional financial aid. TWGHs will continue its fundraising efforts to support the long-term recovery of residents, including rebuilding their lives, restoring their homes, aiding the rehabilitation of the injured, and assisting with the funeral arrangements of the deceased. Once again, we sincerely extend our best wishes to all those affected, hoping they will soon emerge from this hardship and regain their stable life.

凝聚愛國愛港力量 維護香港繁榮穩定

扎根香港 155 年，東華三院一直堅定支持中央及特區政府貫徹「一國兩制」方針，致力維護香港社會安定繁榮。為緊握國家發展脈搏，並持續深化院內國情教育，本屆董事局就任之初，即於 2025 年 4 月第三度舉辦「全國兩會精神分享會」，向董事局成員、行政人員及各服務單位約 1,200 名管理人員傳達兩會精神。

此外，為紀念中國人民抗日戰爭暨世界反法西斯戰爭勝利 80 周年，本人於 2025 年 9 月隨香港特區行政長官李家超大紫荊勳賢 SBS, PDSM, PMSM 率領的代表團前往北京，出席紀念大會、閱兵及文藝晚會。本院同日組織約 20,000 名員工及屬校師生觀看閱兵直播。9 月期間，本院舉辦一系列紀念活動，包括在 36 間屬校及多個社區場地舉行「抗戰勝利 80 周年歷史展覽」，並邀得中聯辦及教育局代表主持啟動禮，吸引逾 600 名師生參與，共同緬懷先烈、弘揚愛國精神。本院亦舉辦專題講座，並安排員工參觀香港歷史博物館及抗戰博物館展覽，又舉辦兩場抗戰歷史公眾導賞活動，包括「中環戰爭紀念建築導賞」及「沙頭角抗戰文物導賞」，讓參加者深入認識香港在抗戰中的歷史與貢獻。

本屆董事局就職後，多次與特區政府不同部門官員會面，就現屆政府施政方向及各項社會民生議題溝通交流、尋求指導，並爭取對本院服務及發展計劃的進一步支持。在行政長官發表 2025 年《施政報告》前，本院積極參與公眾諮詢，就醫療、教育、安老、社會服務及人工智能等議題提出建議。報告公布後，董事局對「深化改革、心繫民生」的施政理念表示全力支持，並承諾配合政府政策，持續為市民提供優質服務，攜手推動香港改革與發展。為支持行政長官 2025 年《施政報告》的公眾諮詢，本院行政總監和高級職員出席了政府有關過渡性房屋、勞工和社會福利議題的諮詢會；本院亦主動就醫療服務、教育、社會服務、安老政策、簡約公屋、人工智能發展及文化保育等議題，向行政長官辦公室提交意見供考慮。

東華三院秉持促進社會和諧的使命，全力支持 2025 年立法會換屆選舉。2025 年 10 月，本院副主席李曠怡先生及行政總監蘇祐安先生出席由行政長官主持的「選舉啟動禮」；11 月，全體執行委員會成員聯同五大善團代表出席政府座談會，並刊登報章廣告，呼籲各界積極參與。本人亦率領董事局拍攝宣傳短片，行政總部及屬校校長共同參與，相關影片於社交平台觸及 450 萬人次。本院透過多元渠道推動選舉宣傳，包括在近 400

Rally Patriots with Affection for the Country and Our City, and Safeguard the Prosperity and Stability of Hong Kong

Having been rooted in Hong Kong for 155 years, TWGHs has always been a firm supporter of the central and HKSAR governments in their commitment to upholding the "One Country, Two Systems" principle, which aims at maintaining Hong Kong's reputation as a stable and prosperous society. To understand the latest developments of our country and to continue promoting national education within TWGHs, we organised the "National Two Sessions Spirit Sharing Session" in April 2025, right after the inauguration of the TWGHs Board of Directors 2025/2026, marking the 3rd consecutive year of this initiative. As many as 1,200 participants, including Members of the Board, executives and officers in charge of different service units, gained a better insight into the essence of the sessions of the National People's Congress and the Chinese People's Political Consultative Conference.

In addition, to commemorate the 80th Anniversary of Victory in the Chinese People's War of Resistance Against Japanese Aggression and the World Anti-Fascist War, I joined a delegation led by the Hon. LEE Ka Chiu, John, GBM, SBS, PDSM, PMSM, the Chief Executive of the HKSAR, on a visit to Beijing in September 2025. We attended the commemorative assembly, the military parade, and the cultural evening gala. On the same day, we arranged for approximately 20,000 staff members, as well as teachers and students from our affiliated schools, to watch the live broadcast of the military parade. Throughout September, we organised a series of commemorative activities, including the "Historical Exhibition Commemorating the 80th Anniversary of the Victory in the War of Resistance" at 36 affiliated schools and multiple community venues. Representatives from the LOCPG in the HKSAR and the Education Bureau were invited to officiate at the Opening Ceremony, attracting over 600 teachers and students to participate. Together, we paid tribute to the martyrs and promoted the spirit of patriotism. We also hosted thematic lectures, arranged for staff to visit exhibitions at the Hong Kong Museum of History and the Museum of the War of Resistance, and organised 2 public guided tours on the history of the War of Resistance. These included the "Guided Tour to Central War Memorial Buildings" and the "Guided Tour to Sha Tau Kok War Relics", allowing participants to gain a deeper understanding of Hong Kong's history and contributions during the War of Resistance.

Since taking office, the incumbent Board of Directors has held multiple meetings with officials from various departments of the HKSAR Government. These engagements involved in-depth discussions and exchanges on the policy directions of the current administration and a range of social welfare, community and livelihood issues, with the aim of seeking guidance and securing further support for our service initiatives and development plans. Prior to the Chief Executive's delivery of the 2025 Policy Address, the Group proactively participated in public consultations, submitting recommendations on healthcare, education, elderly care, social services, artificial intelligence, and other relevant topics. Following the release of the Policy Address, the Board of Directors expressed its full support for the governing philosophy of "Deepening Reforms for Our People" and reaffirmed its commitment to aligning with government policies. It pledged to continue providing high-quality services for the public and to work in close partnership to promote Hong Kong's reform and development. In support of the Chief Executive's 2025 Policy Address public consultation, TWGHs Chief Executive and senior staff members attended government-led consultations on topics related to transitional housing, labour, and social welfare. TWGHs also proactively put forward viewpoints to the Chief Executive's Office on healthcare services, education, social services, elderly care policies, light public housing, artificial intelligence development, and cultural preservation for consideration.

屬校於早會宣講選舉制度，提升學生公民意識；部分服務單位舉辦講座及製作短片，普及選舉知識。本院 14 間屬校借出場地作為投票站，並組織義工協助派發單張及支援投票站運作。院舍及中心更為長者、殘疾人士及弱勢群體提供交通接送及臨時照顧服務，便利投票。為鼓勵員工投票，本院提供彈性工作安排、交通津貼及半天額外假期。屬下廟宇亦聯合通善壇為呼籲善信投票，免費派發平安符。董事局主席及第三副主席亦以選舉委員會當然委員身份投票，以身作則，與社會各界攜手共建美好香港。

為響應政府推動全民國家安全教育，東華三院定期安排董事局成員、高級職員、員工及屬校師生參觀「國家安全展覽廳」，深化對國家安全的認識。截至 12 月底，已有 10,000 人次參與。同時，本院持續推動國情教育。2025 年 5 月，物業科與財務及採購科 15 位行政人員，以及公共服務辦公室 20 位員工前往長沙，於湖南省中華文化學院及湖南省社會主義學院參加研修班，透過講座與實地考察加深對中華文化及國情的理解。6 月，36 名屬校教師赴暨南大學，參與「東華三院暨南大學中高層教師國情培訓班」，全面提升對中國文化及國家發展戰略的認識，促進兩地教育合作。此外，在社會福利署專項基金資助下，本院社會服務科 40 名社工於去年 8 月前往廣州中山大學，參加為期三天的「廣州交流團暨社工培訓班」，了解內地社會服務發展與國家機遇，並加強與大灣區社福機構的交流合作。12 月，本院教育科又組織院屬校長及副校長前往浙江大學參與「綜合素養及國情研修班」。

Guided by its mission to promote social harmony, TWGHs fully supported the 2025 Legislative Council General Election. For that matter, Mr. LEE Kwong Yee, Jason Joseph, Vice-Chairman, and Mr. SU Yau On, Albert, Chief Executive of TWGHs, attended the "Election Kick-off Ceremony" officiated by the Chief Executive of the HKSAR in October 2025. In November, all members of the Executive Committee, along with representatives of the 5 major charitable organisations, attended a government forum and published newspaper advertisements calling for active participation from all sectors of the community. I also led the Board of Directors in producing promotional videos, with the participation of the Administration Headquarters and principals of affiliated schools. These videos reached 4.5 million people on social media platforms. TWGHs promoted election awareness through multiple channels, including the display of promotional materials, the screening of videos, and the setting up of mobile street stations across nearly 400 of its units, rental properties, transitional housing projects, and mobile service vehicles. The Group also encouraged public participation in voting during its anniversary events.

Affiliated schools promoted the electoral system during morning assemblies to enhance students' civic awareness. Some service units organised lectures and produced short videos to popularise election knowledge. 14 of our affiliated schools provided their premises as polling stations and mobilised volunteers to assist with distributing leaflets and supporting polling station operations. Residential homes and centres also offered transportation and temporary care services for the elderly, individuals with disabilities, and other vulnerable groups to facilitate their participation in voting. To encourage staff to vote, TWGHs implemented flexible work arrangements, provided transportation subsidies, and granted an additional half-day leave. In addition, our affiliated temples collaborated with Tung Sin Tan to distribute free blessing charms while encouraging devotees to cast their votes. The Chairman of the Board and the 3rd Vice-Chairman also led by example by casting their votes as ex officio members of the Election Committee, working hand in hand with all sectors of society to build a better Hong Kong.

In response to the HKSAR government's initiative to promote national security education, TWGHs regularly arranges for the Board members, senior staff, employees, and teachers and students from affiliated schools to visit the "National Security Exhibition Gallery", aiming to deepen their understanding of national security. As of the end of December, a total of 10,000 participants had taken part. At the same time, TWGHs continues to advance national education. In May 2025, 15 executives from the Property Division and Finance and Supplies Division, along with 20 staff members from the Traditional Services Office, visited Changsha to participate in a study programme at Hunan Institute of Chinese Culture and Hunan Institute of Socialism. Through lectures and field visits, they deepened their understanding of Chinese culture and national conditions. In June, 36 teachers from affiliated schools went to Jinan University to attend the "National Education Programme for Mid-to-Senior Level Teachers" jointly organised by TWGHs and Jinan University, comprehensively enhancing their knowledge of Chinese culture and national development strategies while fostering educational cooperation between Hong Kong and the Chinese Mainland. Additionally, with the support of Dedicated Fund of Social Welfare Department, 40 social workers from the Community Services Division of TWGHs travelled to Sun Yat-sen University in Guangzhou in August last year for a 3-day "Guangzhou Exchange Tour and Social Worker Training Course". During the course, they learned about the latest social welfare developments and opportunities across the Mainland, strengthening exchanges and collaboration with social welfare organisations in the Greater Bay Area. In December, the Education Division of TWGHs further organised principals and vice principals from affiliated schools to attend a "Comprehensive Literacy and National Affairs Training Course" at Zhejiang University.

“Kindness Makes a Difference” as the Slogan for the 155th Anniversary of TWGHs

The year 2025 commemorates the 155th Anniversary of TWGHs. Under the theme "Kindness makes a difference", we celebrate the continuous expansion and enduring legacy of our philanthropic endeavours. Regardless of how times change, we firmly believe that TWGHs' charity spirit will remain steadfast. We will continue to broaden our scope of services across 5 major areas, namely healthcare, education, social services, cultural heritage preservation, and traditional services, promoting diverse development through innovative ideas that benefit the public. I will do my utmost to uphold TWGHs' spirit of "Kindness makes a difference". TWGHs has launched a new corporate video titled "Always by Your Side" and produced an anthem called "A Song from the Distant Past", marking an important new chapter for our new journey. Additionally, TWGHs has collaborated with local illustrator Thomas Napoleon to create a commemorative key visual themed "Celebration of Charity". The artwork, depicted as a festive parade, vividly showcases TWGHs' diverse services, including medical, education, community services, fund-raising, traditional services, and temple cultural heritage preservation, capturing the vibrancy and passion of charitable endeavours. The 155th Anniversary art installation is now on display across various TWGHs service units, including Kwong Wah Hospital, TungPo, E-Co Village, Man Mo Temple, Tin Hau Temple, Yau Matei and Tung Wah College. We invite the community to visit these "photo spots" and join us in celebrating this remarkable milestone, promoting the spirit of doing good causes. Furthermore, TWGHs has specially decorated 7 rehabilitation buses, with the anniversary adornments and the commemorative slogan "Kindness makes a difference". They will travel across Hong Kong, Kowloon, and the New Territories to provide barrier-free transport

TWGHs is collaborating with the government to advance the development of primary healthcare. We have been awarded 3-year service contracts by the Primary Healthcare Commission, Health Bureau to operate the Central & Western District Health Centre (C&WDHC) and 3 Women Wellness Satellites (WWSs). Among these, the first WWS in Chai Wan commenced operations on 12 June 2025, providing preventive and personalised healthcare services to eligible grassroots women aged 64 or below. The other two WWSs, located in Lam Tin and Tuen Mun, also began services on 10 September, featuring consultation rooms, assessment rooms, and health promotion and education facilities. Opened on the same day, the Central and Western DHC - Core Centre will run by a public-private partnership and medical-social collaboration. It offers a range of services, including health promotion and education, health risk assessments, diabetes and hypertension screening, chronic disease management, and community rehabilitation. The Central & Western DHC Express in Sai Wan was commenced operations in December 2025, injecting new momentum into community health initiatives.

TWGHs also provides a range of medical support services. Since May 2025, we have participated in the Department of Health's "Community Dental Support Programme (CDSP)", offering government-subsidised dental services to the underprivileged groups facing financial hardship. At the same time, through our dental clinics and outreach teams, we support initiatives such as the "Community Care Fund Elderly Dental Assistance Programme", the "Elderly Dental Outreach Service", and the "Healthy Teeth Collaboration". Furthermore, commissioned by the Department of Health, we have been operating a 2-year Traditional Chinese Medicine (TCM) smoking cessation service since 1 April last year. The service is provided at 5 of our TCM units, offering eligible individuals free support such as acupuncture, auricular acupoint pressure, and counselling to help them quit smoking. It is estimated that approximately 500 smokers will benefit from this programme annually.

In response to the new fees and charges reform for public healthcare implemented by the Hospital Authority in January this year, we have made corresponding adjustments to our free medical service schemes. This ensures that we maintain financial sustainability while upholding our mission of healing the sick and relieving the distressed, enabling us to continue providing free medical services to those in need. From 1 January 2026, our 5 hospitals will continue to offer a total of 600 free beds. Eligible individuals seeking outpatient services at Tung Wah Eastern Hospital, Tung Wah Hospital, and Kwong Wah Hospital will remain exempt from the following charges: consultation and prescription medication fees at Family Medicine Clinics (excluding Integrated Clinics), and consultation fees at Specialist Outpatient Clinics (excluding Integrated Clinics and Allied Health Clinics) – applicable only to eligible individuals aged 75 or above or 12 or below. The Chinese Medicine General Outpatient Services will continue to uphold the tradition of providing free medical services. In addition to offering free trauma consultations and dressings, and waiving consultation fees for internal medicine as usual, the Group will also exempt charges for Chinese medicine services from 2026 onwards, further benefiting patients. Furthermore, our annual donation to the Hospital Authority's "Samaritan Fund" has been increased from HK\$2 million to HK\$3 million starting this year. The annual budget allocated by TWGHs for free Chinese and Western medical services exceeds HK\$60 million. Together with the 21 patient assistance programmes we operate (with annual expenditures exceeding HK\$50 million), TWGHs' total annual expenditure on medical services amounts to over HK\$100 million.

■ Upholding Holistic Development to ■ Cultivate Well-Rounded Future Leaders

As one of Hong Kong's major education providers, TWGHs is committed to nurturing talent for the city while continuously developing and enhancing school facilities. We are progressing in full swing with the construction of 2 new special schools on Renfrew Road in Kowloon Tong, which are expected to commence operations in September 2026. This initiative will help address the community's growing demand for special education placements.

The Group attaches great importance to the moral development of its students and is committed to nurturing responsible and socially conscious citizens. Following the full implementation of the "Moral Education Extension Curriculum Project" in primary and secondary schools, the Group is now planning to publish new moral education resources to further deepen students' character development. The Group also supports the curriculum development efforts of the Education Bureau. In April 2025, the Group co-organised seminars and guided tours to introduce school principals and teachers to the impact and contributions of TWGHs in Hong Kong and across Chinese communities. Furthermore, the Group continues to organise "TWGHs Miss Maisy Ho Joint Schools Civic Education Award", which encourages primary and secondary students to showcase their talents. This year, both primary and secondary school categories saw students achieving championship honours.

The Group is dedicated to nurturing students' diverse talents and promoting sports, arts, and exchange activities. In April 2025, the primary school choir embarked on a performance exchange trip to South Korea, while the secondary school choir travelled to Singapore in July to participate in an international choral festival, broadening their musical horizons and cultural awareness. Additionally, 15 of the primary school choirs showcased their talents at the "Hong Kong Inter-school Choral Festival". The Group also organised a variety of activities, including the kindergartens joint school martial arts competition, the "Every Child Explores the World Quiz cum A Journey to Chinese Culture Carnival", the "Soccer Ambassador" Programme, and the joint school art exhibition for special schools. These activities provide students with multiple platforms to showcase their talents and potential.

From April to December 2025, students from TWGHs affiliated schools actively participated in a wide range of study tours and exchange programmes. These diverse itineraries deepened their understanding of the motherland while broadening their global perspectives. The activities included environmental conservation exploration in Ningxia, career development and innovation technology tours in the Greater Bay Area, experience programmes focused on new quality development in Wuhan, cultural studies of the ancient capital in Xi'an, cultural exchanges in Changsha and Yueyang, as well as history and culture tours in Beijing. These opportunities enabled students to better understand the national context, foster a sense of patriotism, and explore further education opportunities in the Mainland.

During the summer holidays, the Group organised an English study tour for 90 secondary school students, who travelled to Singapore and the UK to enhance their language skills and experience local cultures. TWGHs schools also arranged for students to visit the UK, Germany, Canada, Australia, New Zealand, Singapore, Malaysia, the Maldives, South Korea, and Japan, engaging in interdisciplinary exchanges covering themes such as STEAM, music, sports, arts, ecology, and aviation to cater to students' diverse interests. In September, the Group continued the "Belt and Road" study series, leading senior school students to Barcelona to visit the Consulate-General, Confucius Institute, and Chinese enterprises, as well as explore cultural landmarks, gaining insight into new opportunities

學校締結逾 100 對姊妹學校，遍及全國各地。去年，陳兆民中學及黃笏南中學分別與上海及寧波學校締結姊妹學校，進一步加強教育合作。本院亦合辦「遼港青少年交流團 2025」，率領學生前往北京、南京、杭州、寧波、瀋陽、成都、廈門及潮汕等地，深化兩地互動與交流。

在生涯發展教育方面，本院持續推行由民青局資助的「MY WAY 中學生生涯發展教育計劃」，安排學生參與影子工作及分享會，協助規劃未來職涯。自 2025 年 9 月起，本院再度獲「青年生涯規劃計劃」撥款資助，推行新一個三年計劃，惠及更多中學生。此外，本院與 LGT 皇家銀行合作舉辦「Future Focus 聯校職涯巡禮」，200 多名學生參與，並由 45 位銀行職員義工分享經驗，讓學生深入認識金融業。

2025/2026 學年，本院新增兩項獎學金，包括由 LGT 皇家銀行（香港）資助的「東華三院 LGT 大學入學獎學金」，支持屬校優秀畢業生升讀本港大學；以及由鄭建好總理捐款設立的「東華三院鄭堅固獎學金」，資助學術表現卓越的學生前往上海升學。本學年共發放接近港幣 400 萬元獎學金，受惠學生增至約 95 名。同時，因教育局取消中小學及幼稚園津貼，本院獲香港順豐捐款支持，每年撥款港幣 100 萬元，為期五年，援助約 200 名有需要學生。

本院重視學生的身心健康發展。本院何玉清教育心理服務中心獲「青年正向思維活動資助計劃」撥款，於八所院屬中學推行為期兩年的「青少年正向工程」，透過小組活動、培訓及「照進心靈 Project Soothe」工作坊，協助 1,500 名學生建立正向價值觀，提升壓力管理能力。同時，何玉清教育心理服務中心研發的「巴士路路通」桌遊及「閃閃」掛飾，分別獲香港智營設計大賞銅獎及優異獎，肯定本院在創新教具方面的成果。在家長支援方面，本院幼稚園「360 星級家長課程」已連續三年舉辦，參與率達百分之百。2024/2025 年度共有 3,230 個家庭參與，近 1,000 位家長及學生出席畢業禮暨頒獎典禮，成效顯著。

under the “Belt and Road” initiative. Concurrently, the primary school’s “Soccer Ambassador” Programme organised an exchange trip to Barcelona, where students trained and competed alongside local youth football clubs, improving their skills and fostering holistic development. In October, the Group’s Student Ambassador Group visited Germany, calling on the Embassy, Trade and Economic Office, and multiple universities, as well as touring the Reichstag Building, automobile factories, and museums. This broadened their international perspectives from cultural, historical, and technological angles, encouraging reflection on war and peace and deepening their understanding of the concept of community of common destiny. Additionally, TWGHs schools have forged over 100 sister-school relationships with Mainland institutions, spanning across the country. Last year, Chen Zao Men College and Wong Fut Nam College forged sister-school relationships with institutions in Shanghai and Ningbo respectively, further strengthening educational collaboration. The Group also co-organised the “Liaoning-Hong Kong Youth Exchange Delegation 2025” taking students to Beijing, Nanjing, Hangzhou, Ningbo, Shenyang, Chengdu, Xiamen, and Chaoshan to deepen interaction and exchange between the 2 regions.

In the area of life planning education, the Group continued to undertake the “My Way” Project on Life Planning for Secondary Schools Students, sponsored by the Home and Youth Affairs Bureau. This project arranged for students to participate in job shadowing and sharing sessions, assisting them in planning their future careers. Starting from September 2025, the Group has once again secured funding from the “Scheme for Youth Life Planning” to launch a new 3-year plan, benefiting even more secondary school students. Furthermore, the Group collaborated with LGT Bank to organise the “Future Focus: Joint-School Career and Life Planning Expo” which was attended by over 200 students. 45 bank volunteers shared their experiences, enabling students to gain a deeper understanding of the finance industry.

In the academic year 2025/2026, the Group introduced two new scholarships. These include the “TWGHs LGT University Entrance Scholarship”, sponsored by LGT Bank (Hong Kong), which supports outstanding graduates from affiliated schools in pursuing studies at local universities in Hong Kong. The 2nd is the “TWGHs KK Cheng Scholarship”, established through a donation by Mr. Tony CHENG, Director, which assists academically outstanding students in furthering their education in Shanghai. A total of HK\$4 million in scholarships was awarded this academic year, benefiting around 95 students. Concurrently, following the cancellation of subsidies for primary and secondary schools and kindergartens by the Education Bureau, the Group received support from Hong Kong S.F. Express through a donation. This provides an annual allocation of HK\$1 million for a period of 5 years, aiding approximately 200 students in need.

The Group places strong emphasis on the holistic well-being of students. The TWGHs Ho Yuk Ching Educational Psychology Service Centre, funded by the “Funding Scheme for Youth Positive Thinking Activities”, has implemented a 2-year “Youth Positivity Project” in eight of TWGHs affiliated secondary schools. Through group activities, training sessions, and the “Project Soothe” workshop, this project has assisted 1,500 students in developing positive values and enhancing their stress management skills. At the same time, the “Bus Routaflex” Board Game and the “Bling Bling” pendant, developed by the Ho Yuk Ching Educational Psychology Service Centre, were awarded the Bronze and Merit prizes respectively at the Hong Kong Smart Design Awards. This recognition affirms the Group’s achievements in innovative educational tools. In terms of parental support, the TWGHs Kindergarten “360 Parent Education Programme” has been running continuously for 3 years, achieving a 100% participation rate. In the academic year 2024/2025, a total of 3,230 families took part, with nearly 1,000 parents and students attending the Graduation cum Award Ceremony, demonstrating the programme’s significant impact.

The Group has always placed great importance on staff training and exchange, as it strives to enhance their professional expertise. Ms. YIM Mei Sze, a teacher at TWGHs Chi-Li Pao School, was honoured with a commendation award in the second "HK Outstanding Teacher Ethics and Conduct Award Selection", recognising her teaching as a model that fully exemplifies high standards in the education sector.

■ 申請應用科學大學 為港作育創新人才

東華學院自 2010 年創辦至今，不斷開拓課程，於 2024/2025 學年新推出醫療影像學（榮譽）理學士課程，回應社會對放射診斷師的需求。教育局已宣布將此課程納入 2025/2026 學年「指定專業/界別課程資助計劃」，讓下一學年修讀課程的舊生和新生皆可獲得政府學費資助。東華學院在 2025/2026 學年收生情況理想，全日制課程新生人數達 1,689 人，較去年上升百分之九點八；其中來自內地的學生人數達 291 人，較去年增長百分之十五點九。隨著新學年收生完成，東華學院學生總數已突破 5,200 人，反映學院課程切合社會需求，教學質素備受肯定。

學院積極與不同大學及教育機構合作。去年 5 月，與中國華南職業教育集團簽訂合作協議，設立獎學金，支持廣東嶺南職業技術學院護理學系畢業生來港入讀東華學院護理學學士高年級課程；並成立「智慧健康應用研究中心」，匯聚兩地人才，共同研發實證為本的創新方案，提升大眾身心健康。研究團隊計劃與業界分享研究成果並推出產品及服務，造福社會。學院另與香港科技大學簽署合作備忘錄，加強兩校在跨學科醫學教育、創新科研、知識轉移及社區外展服務等領域的協作。

年內東華學院已成功取得第三個學科範圍評審資格，加上研究能力及學生人數達標，已全面具備升格大學的所有要求。學院正委託香港學術及職業資歷評審局展開院校評審，預期今年內可以取得行政長官會同行政會議的批准，同步成為私立大學及應用科學大學。

■ Grooming Local Innovative Talents by Applying to Become a University of Applied Sciences

Since its inception in 2010, in a relentless effort to expand its programme portfolio, TWC introduced the Bachelor of Science (Honours) in Medical Imaging for the academic year 2024/2025 to meet the community demand for diagnostic radiographers. The Education Bureau has announced that this programme will be integrated into the "Study Subsidy Scheme for Designated Professions/Sectors" for the academic year 2025/2026. This means that both current and new students enrolling in the programme next year will be eligible for government-funded subsidies. The number of applications received by TWC for the academic year 2025/2026 meets its expectations: new full-time students increased by 9.8% compared with the previous year, reaching 1,689, with enrolments from the Mainland growing by 15.9% to 291. With the completion of applications for the new academic year, the total number of students at TWC has exceeded 5,200, serving as a clear testament that TWC's programmes are well-aligned with community needs, and that its educational quality enjoys wide recognition.

TWC actively collaborates with various universities and educational institutions. In May last year, it signed a cooperation agreement with South China Vocational Education Group to establish scholarships, enabling Nursing graduates from Guangdong Lingnan Institute of Technology to join the senior year of TWC's Bachelor of Health Science (Honours) in Nursing programme. Additionally, the "Smart Health Applied Research Centre" was established to unite talents from both institutions to create evidence-based solutions that enhance public mental and physical health. The research team will share their findings with the industry and introduce products and services to benefit society. Furthermore, TWC signed a Memorandum of Understanding with the Hong Kong University of Science and Technology to enhance collaboration in cross-disciplinary medical education, innovative research, knowledge transfer, and community outreach services.

Within this year, TWC has successfully obtained accreditation in a 3rd academic discipline. Together with meeting the required standards in research capability and student enrollment, TWC has now fully satisfied all the criteria for upgrading to university status. TWC is commissioning the Hong Kong Council for Accreditation of Academic and Vocational Qualifications to conduct an institutional review, and it is expected that approval from the Chief Executive in Council will be granted within the year, enabling the College to simultaneously become a private university and an applied science university.

Enhancing Public Welfare and Happiness through Comprehensive Community Services

To address the evolving needs of our community, TWGHs has long been dedicated to integrating and introducing new community services, with the goal of fostering a more joyful community life for citizens. TWGHs is progressing with the redevelopment project for the Jockey Club Care and Attention Home for the Elderly at Sandy Bay Road. The project involves constructing a 10-storey integrated building, which will provide a total of 810 service places for the elderly, people with disabilities, and young children with special needs. The relevant consultant tender was launched in December of last year, with preliminary works expected to commence as early as this year.

TWGHs actively expands community support services. Following the first Community Living Room located in To Kwa Wan, the second Community Living Room project in Yau Tsim Mong District is situated in an area with a high concentration of subdivided units. Spanning nearly 5,000 square feet, it is sponsored by DBS Bank, funded by the Community Care Fund, and operated by TWGHs, with services expected to commence in the 1st quarter of 2026. The new living room will provide support to subdivided flat residents and residents of diverse ethnic backgrounds, offering activities such as financial management, health management, and social skills training. It aims to foster tripartite collaboration between the Government, the business sector and the community, building an inclusive neighbourhood. Additionally, as Hong Kong's first "Light Public Housing" project, the light public housing at Yau Pok Road in Yuen Long jointly operated by TWGHs and Pioneer Management Limited provides 2,156 units and welcomed its tenants in June 2025. The project is equipped with comprehensive amenities and transport facilities, and offers employment support, resource-sharing platforms such as an "electrical appliance library", as well as interest classes, guided tours, and festive activities. These initiatives help residents integrate into the community and foster a harmonious living environment.

TWGHs continues to promote elderly and aged care services. Between 2025 and 2026, the Group participated for the 3rd consecutive year in the "Smart Silver" ICT Outreach Programme for Elders. With government support, this programme provided digital skills training to isolated seniors and elderly members of day centres through outreach activities and mobile service stations. A cumulative total of 15,010 individuals benefitted from these efforts, helping the elders integrate into smart living. In July 2025, the Group held a high-quality service sharing session on "Dying-in-place", inviting professionals and unit supervisors to exchange experiences in end-of-life care. The session was attended by over 80 professional staff members, contributing to the continuous improvement of aged care service quality.

Regarding the dietary care, CookEasy, a social enterprise run by TWGHs, launched the "Custard with Red Bean Flavours Care Food Mooncake" during the Mid-Autumn Festival, enabling people with dysphagia to enjoy traditional festive flavours. A tea gathering was also organised to promote the culture of care food. Additionally, iBakery, a social enterprise under the Group, collaborated with CookEasy to host the "Eating Well for All" thematic exhibition at Tamar Park in Admiralty from November 2025 to March 2026. The exhibition invited 10 cross-sector guests, including Mr. SU Yau On, Albert, Chief Executive of TWGHs, Mr. Grégoire Michaud, Founder of Bakehouse, Mr. YUNG Tsz Kwong Philip, Film Director, Dr. Jessica TAM, Business Director of HKCSS, veteran media professionals, Japanese care food experts, and senior supervisors of TWGHs residential care home. They shared stories about food and life, raising public awareness of the dietary needs of the elderly and people with dysphagia, and promoting an inclusive food culture.

■ 改善市民居所環境 發展創新空間數據

東華三院積極配合特區政府發展過渡性房屋及簡約公屋項目，以改善市民居住困境。由房屋局資助、本院興建及營運的「啟德·東寓」(位於啟德沐安街)及「樂和·東寓」(位於馬鞍山落禾沙里)已於2024年入伙，入住率分別超過百分之九十九及百分之八十八，其中已有若干住戶成功獲配公屋、簡約公屋或居屋。除了紓解基層家庭住屋需要，本院亦舉辦多元活動促進居民交流，包括物資分享會、與音樂兒童基金會合辦的「東寓音樂日」，以及邀請房屋局局長何永賢太平紳士參與的興趣班體驗日，營造共融和諧的社區氛圍。元朗流浮山的「流浮·東寓」項目共提供1,233個單位，已於2025年開始陸續入伙，截至12月底，已約有100戶家庭成功申請入住。

由本院營運的地理空間實驗室主辦的「空間數據共享平台大獎2025」於去年8月順利舉行頒獎典禮。比賽以「共創北部空間，共享都會數據」為主題，鼓勵學生及社會大眾運用空間數據，為北部都會區發展提出創新方案，探索空間數據在城市規劃中的重要作用。比賽吸引超過140支隊伍，共約460人參與。

TWGHs actively promotes exchange and cooperation within the social welfare sector across the Greater Bay Area. This year, 80 management and nursing staff from elderly care institutions in the Greater Bay Area came to Hong Kong to participate in training programmes. They received specialised training at the Sunshine Complex for the Elderly, covering topics such as infection control, end-of-life care, gerontechnology, soft meal preparation, and dementia care. The participants also visited day care and home care centres to exchange service experiences. In July 2025, a delegation of mid-to-senior management personnel from TWGHs Community Services Division conducted a study visit to Shenzhen and Dongguan. They toured residential care centres for people with disabilities and attended a national affairs lecture to gain an in-depth understanding of the nation's development history and Hong Kong's role within it. The visit concluded with a strategic planning session, providing direction for service planning in the coming year. In August 2025, the Group hosted the "Greater Bay Area Mental Health Symposium cum Workshops". The Symposium brought together nearly 500 professionals, scholars, and practitioners to explore the challenges and opportunities in mental health across community, workplace, and technology contexts. Through diverse workshops and interactive exhibitions, the Symposium fostered exchange and injected momentum into the long-term development of mental health services in the Greater Bay Area.

TWGHs continues to promote inclusion for people with and without disabilities. Since its inception in 2011, the "iRun" Special Marathon has seen participation from over 1,500 individuals across the Greater Bay Area. Last year, the Group supported the organisation of related events in Macau and Zhongshan, and sent runners to participate in the "Nocen Cup" Greater Bay Area Special Marathon. In October, iRun was honoured as one of the "Guangdong-Hong Kong-Macao Greater Bay Area Cooperation Social Welfare Project", recognising its contribution to promoting regional cooperation and inclusion.

■ Improving Living Environments for the Public and Developing Innovative Spatial Data

TWGHs actively supports the HKSAR Government's development of transitional housing and Light Public Housing projects to improve living conditions for citizens. Funded by the Housing Bureau, constructed and operated by the Group, "T-Loft@Kai Tak" (located on Muk On Street, Kai Tak) and "T-Loft@Lok Wo" (located at Lok Wo Sha Lane, Ma On Shan) commenced occupancy in 2024, achieving occupancy rates of over 99% and 88% respectively. A number of tenants have already successfully been allocated public housing, Light Public Housing, or Home Ownership Scheme flats. In addition to alleviating the housing needs of grassroots families, the Group organised diverse activities to foster resident interaction. These included resource-sharing sessions, the "T-Loft Music Day" co-organised with the Music Children Foundation, and an interest class experience day featuring the participation of the Hon. Winnie HO, JP, Secretary for Housing. These activities helped create an inclusive and harmonious community atmosphere. The "T-Loft@Lau Fau" project in Lau Fau Shan, Yuen Long, providing a total of 1,233 units, commenced phased occupancy in 2025, around 100 families have successfully applied for residency as of the end of December 2025.

The award ceremony for the "Common Spatial Data Infrastructure Awards 2025", organised by the Geospatial Lab under the operation of TWGHs, was successfully held in August last year. Under the theme "Co-creation X Northern Metropolis X Spatial Data", the competition encouraged students and the public to utilise spatial data to propose innovative solutions for the development of the Northern Metropolis, exploring the crucial role of spatial data in urban planning. The competition attracted over 140 teams, comprising approximately 460 participants in total.

■ Safeguarding and Preserving History and Culture, and Upholding TWGHs' Spirit of Charity

TWGHs currently manages a total of 6 declared monuments and 9 historic buildings. The Records and Heritage Office is responsible for managing one declared monument — the Tung Wah Museum — and fulfils the mission of collecting, organising, and sharing the history and culture of TWGHs to promote heritage conservation. From September to November 2025, TWGHs co-organised "A Century of Architecture: The Story of Tung Wah Museum" Talk Series with the Hong Kong Public Libraries, introducing the architectural features and conservation knowledge of Kwong Wah Hospital and the Museum. Concurrently, in collaboration with Hong Kong Baptist University, it hosted the "Warscape from Above" exhibition, displaying wartime aerial photographs and images of historic buildings.

To promote students' and staff members' understanding of the core values of TWGHs, the Group launched the project "TWGHs Pass It On", organising a study trip to Kaiping for 120 students and 32 staff members to explore the history of burial services. Additionally, at the invitation of the Archives of Macao, the Group shared its experience in archives and heritage conservation, fostering cultural exchange. For the 7th time, the Group held the "Student Conservation Ambassador Programme", in which 27 students from 14 affiliated schools learned and practised hands-on restoration of metal artefacts, including the metal plaque of Kwong Fook Tsz and the charity ball trophies. In August last year, they visited Chengdu, Sichuan, to explore cultural heritage sites, further deepening their understanding of conservation.

Furthermore, in June 2025, the Group participated in the Archives Expo of "Hong Kong International Archives Week". To commemorate of the 80th Anniversary of the Victory in the War of Resistance, the Group showcased a collection of valuable historical records highlighting this significant event. A talk titled "Discovering Our Archival Resources" was also organised, attracting 258 members of the public to attend.

■ Promoting Traditional Temple Culture and Enhancing Funeral Services

Kwong Fook Tsz, a temple located on Tai Ping Shan Street in Sheung Wan, is the origin of TWGHs. Following its approval by the Antiquities Advisory Board as a declared monument in March 2025, it has now become the 6th declared monument of TWGHs. To commemorate this, the Group has specially published the book *Virtue and Incense: 170 Years of Kwong Fook Tsz*. Additionally, the Pak Shing Hau Temple in Wan Chai was approved by the Antiquities Advisory Board in December 2025 as a Grade 2 historical building.

To promote traditional temple culture, TWGHs organised several rituals to pray for the well-being of Hong Kong residents. In April 2025, we held the "Tin Hau Fest! Yaumatei" rite, which included blessing ceremonies and free guided tours, allowing the public to learn about intangible cultural heritage. In September, the "16th Joint Temples Mid-year Festival Rites" was held with the Fung Ying Seen Koon officiating at the Taoist ceremonial chants to preserve traditional customs. In July of the same year, TWGHs Man Mo Temple organised the "Pau Kung Fest" 2025 during the HKSAR Establishment Day holiday, to promote Pau Kung's spirit of loyalty, honesty and justice. TWGHs invited Mr. Alexander YEUNG, Director 1980/1981, and Mr. SU Yau On, Albert, Chief Executive of TWGHs, as the officiating guests, to officiate at the Worship Ceremony held at the Temple. Meanwhile, TWGHs offered free guided tours, introducing participants to Pau Kung's life and unwavering spirit of integrity, alongside the Temple's

本院不斷優化殯儀服務，照顧好人生的最後旅程。東華三院萬國、鑽石山及寰宇殯儀館繼續參與 7 月舉行的 50+ 博覽，向公眾介紹「善壽服務」理念及推廣環保殯葬。展覽攤位設有互動遊戲及最新的殯儀資訊講座，讓市民認識更多本院殯儀服務，並鼓勵及早籌劃身後事。本院自 2017 年首辦「綠色殯葬體驗之旅」及多次「善壽遊曾咀」導賞活動後，於 2025 年 5 月再度舉辦「綠色殯葬體驗之旅 2025」，安排參加者乘坐與政府海上撒灰服務同款渡輪前往指定海域，透過職員講解，親身體驗模擬海上撒灰過程，並使用紙製撒灰器在特設草地上模擬花園撒灰場景，加深公眾對綠色殯葬的認識，推廣「身前規劃」理念。

■ 推廣助人為善文化 各界響應共襄善舉

historical artifacts and its significance as a declared monument of Hong Kong. To celebrate the China Cultural and Natural Heritage Day on 8 June, the Group curated a variety of public activities included as part of the "Hong Kong Intangible Cultural Heritage Month 2025". Through guided tours of Tung Wah Coffin Home, Tung Wah and Po Leung Kuk Heritage Walk, and free workshops such as Chinese embroidery and gold-leaf wood carving, these activities offered participants a chance to experience the essence of Chinese culture and deepened their understanding of cultural heritage conservation. In October 2025, as a supporting organisation of the "International Symposium on Living Heritage and Urban Renewal Development", we arranged post-symposium visits for attendees. These included Mr. SHE Xiangjun, Deputy Director of the Architectural Department of the State Administration of Cultural Heritage, Ms. SIU Lai Kuen, Susanna, MH, Chief Heritage Executive of the Antiquities and Monuments Office, and other participating experts. Mr. SU Yau On, Albert, Chief Executive of TWGHs, detailed the history and contributions of TWGHs, and shared its experiences and achievements in the conservation, revitalisation, and promotion of historical buildings and culture.

By constantly optimising our funeral services, we aim to help people maintain dignity in the last stage of life. TWGHs International Funeral Parlour, Diamond Hill Funeral Parlour, and Global Funeral Parlour continued to participate in 50+ Expo held in July, where they shared the philosophy of "Plan Ahead Funeral Arrangement" with the public while promoting environmentally friendly burials. The exhibition booth featured interactive activities and the latest informational talks on funeral arrangements, allowing citizens to learn more about TWGHs' funeral services and encouraging advance end-of-life planning. Following the inaugural "Green Burial Experience Day" in 2017 and subsequent guided tours of the "Tsang Tsui Garden of Remembrance and Columbarium, Tuen Mun", we once again organised the "Green Burial Experience Day 2025" in May 2025. Participants boarded a ferry of the same model used for the Government's sea-ash-scattering services to a designated area. Guided by our staff, they experienced simulated scattering of cremains at sea and used paper-based ash-scattering vessels on a specially prepared grassy area to simulate a garden-ash-scattering scenario. These activities deepened public understanding of green burials and promoted the ethos of "After-Death Arrangements".

■ Promoting a Culture of Philanthropy and Working for a Philanthropic Cause

TWGHs is fully committed to its fund-raising efforts, appealing to the public to join its philanthropic cause in support of the development of various services. In this year, TWGHs organised more than 20 fund-raising events and mailing campaigns, including Charity Cantonese Opera, TWGHs Free Medical Services Donation Scheme, Flag Day, Charity Bowling Tournament, and Charity Raffle, all of which were well received by donors from all walks of life. In commemoration of this remarkable milestone of the 155th Anniversary, TWGHs specially

launched limited-edition souvenir sets, including the "Flag Sticker Souvenir Set" and the highly collectible "155th Anniversary Gold Flag Set", which includes a three-dimensional thank-you card and a 155th anniversary commemorative gold medal, available for donations of HK\$1,000 or more. TWGHs launched its "Online Flag-selling Volunteer" recruitment again this year. A total of 118 successfully registered volunteers received their own "Online Flag Bag" donation links, which they could share via mobile phone messaging apps or social media platforms to encourage donations from friends and family. To support the flag-selling event, TWGHs created a series of interactive posts on its social media, and distributed complimentary Flag Day WhatsApp Stickers designed by Thomas Napoleon and a range of limited-edition souvenirs. These initiatives not only provided entertainment but also served as reminders to spread kindness and care through charitable acts.

During the year, referred by Mr. LUI Lai Cheung, Frederick, JP, Chairman 1996/1997, TWGHs held its inaugural "One Love One Hug" Charity Pottery Workshop for the first time. Ms. Aidan WONG, a renowned Hong Kong pottery artist was invited to guide participants in creating unique personalised pottery art pieces through the act of embracing. The workshop also served as a meaningful fundraising initiative for the "TWGHs MK Cancer Treatment Subsidy Fund".

In addition, TWGHs was also referred by a number of Board Members as the beneficiary of more than 10 events to encourage the public to find joy in joining the charity community. As of October last year, TWGHs has raised over HK\$300 million in donations, a most satisfactory achievement. As always, the Board of Directors will continue to collaborate with Title Sponsors to cover the direct expenses of all fundraising events organised by TWGHs, without deducting any administrative costs from public donations. By ensuring that every dollar donated by the public is fully utilised to support our services and assist those in need, we have faith that this approach will bolster community confidence and recognition of our efforts.
