- 所有籌募活動開支及相關行政費用均由東華三院董事局/冠名贊助人全數支付。本院從不在公眾善款中扣除活動開支及行政費用，大眾捐款均悉數撥用於本院的服務，惠澤社群。

Financial Highlights

- Government subventions, donations and operating income are the major sources of income of TWGHs to support its medical and health, education, community and traditional services, as well as the further development of the Group.
- The total revenue for the year ending 31 March 2026 is estimated at HK\$8,002 million (last year: HK\$7,491 million), an increase of 6.8% as a result of increments in donation income as well as government subvention and expansion in our services.
- The donation income is estimated at HK\$826.0 million (last year: HK\$450.8 million), including the "Charitable Giving towards the Incident of Wang Fuk Court, Tai Po" of HK\$371.7 million. In addition, donation-in-kind of properties and equities is HK\$21 million in market value (last year: HK\$18 million). The Group is grateful for the continued support from donors and the general public.
- Leveraging its own resources and the public donations, TWGHs allocated a sum of HK\$1,178 million (last year: HK\$879 million), including the "Charitable Giving towards the Incident of Wang Fuk Court, Tai Po" Project of HK\$371.7 million, for service development projects in respect of medical and health (including hospitals), education, community and other services, and building development projects during the year.
- TWGHs is committed to proper control of the expenditure for administration and supporting functions. The expense for TWGHs' administration and supporting functions, representing approximately 4% of the Group's total expenditure, goes towards supervising and supporting both the Group's subvented and non-subvented services. It is fully funded by the Group's operating income, without using any donations.
- All expenditures for fund-raising events and related administrative costs are fully financed by TWGHs Board of Directors/Title Sponsors. No event and administrative costs will be deducted from public donations, which will be as usual wholly allocated to the Group's services for the benefit of the community.

Review of Financial Results

The total revenue (comprising recurrent income, donation income and donation-in-kind of properties and equities) of TWGHs for the 2025/2026 financial year ending 31 March 2026 is projected to be HK\$8,002 million (last year: HK\$7,491 million). The total expenditure is projected to be HK\$7,346 million (last year: HK\$7,253 million), resulting in a net operating surplus of HK\$656 million (last year: HK\$238 million).

The funds raised for "Charitable Giving towards the Incident of Wang Fuk Court, Tai Po" will be wholly transferred to a designated reserve for relief programmes provided to the affected households and persons. Part of the net operating surplus belongs to subvented services and is required to be transferred to restricted reserves. The remaining portion will be transferred to designated reserves for supporting service projects and future development committed by TWGHs. TWGHs is committed to the principle of financial prudence. The liquidity and financial position of the Group continues to be in good shape to support its committed projects and on-going developments. Ernst & Young audited the consolidated financial statements of TWGHs for 2024/2025 and opined that the consolidated financial statements gave a true and fair view of the consolidated financial position and performance of the Group in accordance with Hong Kong Financial Reporting Standards. TWGHs will continue its efforts to ensure that expenditure for administration and supporting functions is properly controlled and in line with service expansion needs.

Government subvention for recurrent operations is the major source of income of TWGHs and the amounts in the past 5 years are as below:
