

Since establishing its first free school at Man Mo Temple in 1880, Tung Wah Group of Hospitals (TWGHs) has grown alongside Hong Kong, evolving into one of the territory's largest education sponsoring bodies. Today, TWGHs operates a tertiary institute, 18 secondary schools, 15 primary schools, 18 kindergartens, and 3 special schools, serving approximately 28,000 students. Guided by our school motto "Diligence, Frugality, Loyalty, and Faithfulness," we are committed to providing quality education that instills sound values and nurtures a positive outlook on life for the next generation.

Quality education relies not only on professional educators but also on modern and well-equipped facilities. To further enhance our educational services and enrich students' learning experience, we actively seek support from all sectors of society, in addition to government funding, to continually upgrade and acquire suitable teaching equipment for our schools.

The Educational Equipment Donation Scheme aims to raise funds for our secondary schools, primary schools, kindergartens and special schools to acquire the resources they need. Your generous donations will be transformed into tangible support for students, enabling them to explore knowledge and realize their potential in an improved learning environment.

All direct expenses of fund-raising events have been sponsored by TWGHs Board of Directors and Title Sponsors of the events. No administrative costs will be deducted from public donations, ensuring all public donations will go directly to our services.

We sincerely invite your generous support in the new academic year. Together, we can create a brighter learning journey for our students and help them achieve their aspirations and future success.

(TSENG Hing Yip, York)
Chairman
Board of Directors
